# Drug/Dental/EHC/Accident Claims

All practitioners must be licensed, certified or registered, is neither an Insured, or a member of the immediate family and does not ordinarily reside in the Insured's residence.

Please note that general prescription drug, dental, and EHC claims for the 2025-2026 policy year must be **RECEIVED** by ClaimSecure no later than November 30, 2026 to be eligible for reimbursement.

## How do I make a drug/dental/EHC claim?

All that is required to use the Pay Direct method, is for the student to present their Niagara College student ID card to the pharmacy or dental office.

Your student identification card may be used at any participating provider (pharmacist or dentist) across Canada and payment of eligible claims will be honored. To fill a prescription drug or dental claim, you will need to supply the pharmacist/dentist with the following information:

- **Your Group Number 513980**
- **Provider: ClaimSecure (formerly RxPlus/Merx Health Corporation)**
- **Your Student ID # Y00 \_ \_ \_ \_ \_ (10 digit alpha numeric number)**  
I.E. If your student ID # is 7 digits, the correct ID # would be Y006543210

At this point you will be required to pay the deductible amount per prescription. **Please note the dental office may charge more than the Fee Guide, which will require you to be responsible for any additional costs.**

For all non-accidental, EHC claims, you must obtain and complete a ClaimSecure claim form from your NCSAC office or on-line at [www.ncsac.ca](http://www.ncsac.ca) or [www.wespeakstudent.com](http://www.wespeakstudent.com) and include all written referrals and original receipts. You will submit all information to the address indicated on the claim for reimbursement within 90 days of the incurred claim. When so requested by the Company, the student shall secure any further statements from his or her physician within 90 days of the date of the incurred claim.

**My student card was not accepted at the pharmacy or dental office. Why? What do I do?**

There are a few different reasons for having complications at your pharmacy or dental office. Below are some scenarios:

- a) At the beginning of each semester, a listing of all registered and eligible students to date is provided. These records are used to put your personal information on-line at the pharmacy or dental office so you can make a pay-direct claim. There is a time period therefore, when you will not be able to use your student card to make an on-line claim due to the transfer of this information to the on-line system at ClaimSecure. If you are affected by this delay, please use the manual reimbursement system as noted below.
- b) Your pharmacist/dentist may not be familiar with the procedure for processing a claim through ClaimSecure. **A toll free number has been provided to all pharmacies and dental offices so they are able to assist you on the spot.**
- c) If you experience complications at the pharmacy that are not related to the above descriptions, please call WeSpeakStudent for help.

**Can I submit my claims electronically? Can you reimburse my claim using direct deposit?**

YES. Once registered, plan members can submit claims electronically if you select direct deposit for claim reimbursements. View personal claims history, obtain details on the reason for particular claim adjustments or rejections, submit coverage queries online – “Ask the Expert”, print individual claims for Co-ordination of Benefits (COB), run consolidated statements for tax purposes, access claim forms and important health information. No application forms to complete, no software, all the plan member has to do is register online by visiting [www.wespeakstudent.com](http://www.wespeakstudent.com). CLICK on the eProfile for Online Claims Submission tab on the webpage.

**How do I use the manual reimbursement system?**

Prescription Drug, Dental and EHC and Vision Claim Forms are available at your NCSAC office or on-line at [www.ncsac.ca](http://www.ncsac.ca) or [www.wespeakstudent.com](http://www.wespeakstudent.com). Complete all sections of the form that apply to your claim and once you sign it you can send it along with your paid receipts directly to ClaimSecure at PO Box 6500 Station A, Sudbury, ON, P3A 5N5. It will take approximately 3-4 weeks, depending on mail service, to receive your reimbursement.

**How do I make an accident claim?**

- a) All accident claims should be submitted on an Industrial Alliance Insurance and Financial Services Inc. Post-Secondary Student Accident Claim form, available at your NCSAC office, [www.ncsac.ca](http://www.ncsac.ca) or [www.wespeakstudent.com](http://www.wespeakstudent.com). Claim form must be signed by the Student Benefits Coordinator at your NCSAC office.
- b) Students must have received treatment from a qualified physician/dentist within 30 days from the date of the accident.
- c) Completed claim form must be filed directly to Industrial Alliance Insurance and Financial Services Inc. within 90 days from the date of the accident, and no later than 1 year.
- d) It is the Insured's responsibility for securing the claim form and for charges incurred for its completion.

**Am I covered worldwide?**

If you are out of the province or country and you have an accident that requires immediate, necessary medical treatment or you need to obtain a prescription from a qualified physician, you will be required to pay the amount owing at that time yourself and keep all receipts. When you return to the province, you are then required to fill out a manual reimbursement claim form and send it to ClaimSecure (Prescription drug) or Industrial Alliance Insurance and Financial Services Inc. (Accident claim) with the receipts to receive your money back.

Please note that you will be reimbursed according to the benefits set up under your health insurance plan no matter where the accident has occurred or where you obtained the prescription.

**There is no provision for worldwide coverage for the Dental and EHC benefits as these plans only allow Canadian dentists and practitioners.**

**When travelling outside of Canada, you have coverage administered by AIG out of country coverage, through GLOBAL EXCEL. As this coverage is outside of the standard student health plan benefits, please contact your NCSAC office on campus for further details on this coverage and pick up your Medical Assistance Card.**
