

# Student Housing Fire Safety Checklist

## from Welland Fire and Emergency Services

YES NO

Before you rent ASK the owner:  
Are there working smoke alarms on every level  
and outside of all the bedrooms?

Are there carbon monoxide alarms outside the bedrooms?

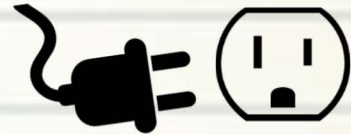

Can doors open fully and close completely?

Are bedroom doors and stairwell doors solid?

Do bedroom doors & stairwell doors close on their own?

Does the electrical wiring look safe?

Are there enough outlets so you don't need extension cords?

Do I think this house complies with the Ontario Fire Code?

Will I feel safe in this house?

If you answered "NO" to any of these questions consider calling
