<p>SAC 5.1</p>	<p>Project Brew - Dipal Patel</p> <p>As you know, this public beer festival event celebrates the individual and class capstone beers created by the graduating class of the Brewmaster and Brewery Operations Management Program at Niagara College. Over four terms, each student has learned to craft beer that reflects their own style, tastes and interests. At Project Brew you will find unique beers passionately created by students eager to share their accomplishments with the brewing community. This semester's Project Brew will be held Friday, December 8, 2023 at the Daniel J. Patterson Campus. The event is held outdoors in our courtyard (weather permitting) from 4:30pm to 8:30pm.</p> <p>The past sponsorship of NCSAC not only ensures the success of events like Project Brew, sponsors like us have contributed to prizes and scholarships celebrating the best brews each year.
